

WinkWorld January 2003

Hello Friends, in our last issue of WinkWorld, we highlighted www.EdResearch.info You may have noticed that we missed the December 1 issue. We apologize; the truth is that we were focused on another writing deadline. Actually, we're still focused on it, but we don't want to let WinkWorld get away from us. In this issue, we share two short pieces: the ever-present Prairie Pedagogy and some thoughts on putting home back into homework.
