

QUESTIONING LESSON PLAN

Freeman, Y., & Freeman, D. (1998). *ESL/FEFL teaching: Principles for success*.
Portsmouth, NH: Heinemann.

1. What is the question worth talking about?
2. How does the question fit into your overall plan?
3. How will you find out what the students already know about the question?
4. What strategies will you use together to explore the question?
5. What materials will you use together to explore the question?
6. What steps will you and the students take to explore the question?
7. How will you observe the students' learning?
