

WinkWorld June 2005

Bo and Lisa Wink will have Baby #2 this fall. In addition, Bo has accepted a new agronomy position and they are moving to Boise, Idaho from Woodland, California. In addition, I hear they are taking my dear, precious Austin, age 2, with them.

We are all very happy, and some of us are very sad, as I have not yet found the best road from Turlock to Boise to Howes to Santa Fe-and back.
