

## WinkWorld August 2005

The prairies are green and gorgeous this summer. Enjoy the photos.

Bo, Lisa, and Austin have moved to Boise Idaho, where Bo continues work with plants and soils. He will be with Syngenta and will also continue his MS. We will go to visit them in their new home in August.

Dawn and kids have been here this summer and are now back in New Mexico.

Enjoy our latest pictures.

Dawn's kids at 17 Mimosa, May 2005.
