

WinkWorld June - July 2006

Prairie Pedagogy:

Brown colt and brown prairies: The 5-year drought continues. Dean has sold some cows and calves.

Notes From the Real World:

Thank you to my many friends, from various chapters of my life, who have supported me in so many ways. I am doing very well. As you read this, chemo is  finished. Please note Lisa's graphic at www.JoanWink.com, under What's New. She created this for our team, who helped raise money to fight breast cancer. Great sign! Great shoes!
