

WinkWorld May 2007

Notes from the Real World

I will retire (sort of*) this summer.

New Angel: Marie Clay

Family Photos

4 Idaho Bunnies

*I don't plan to ever ~really~ retire, but I'm looking forward to the next chapter of life, which will hopefully have a bit more flexibility and fun with my family. In our CSU retirement plan, we can continue to teach 50% for 5 years. I am planning on this option, but my main home will be on the ranch beginning in September.
