TITLE

Dual Language Models in Action

PROPOSAL FOR

Summary for conference program

The goal is to demonstrate the models of dual language instruction and how each model is implemented. A chart is shared which demonstrates the differences and similarities among (a) French Canadian immersion, (b) sheltered English immersion, (c) dual, 2-way immersion, (d) maintenance and/or enrichment bilingual education, and (e) transitional bilingual education.

(Proposal submitted, May 15, 2004)

Title

Heritage Language Instruction and Linguistic Human Rights

50 Word Description for Publication in the Program

A heritage language is the language of the heart. Each person carries within the norms, stories, politics, and history of our heritage language. It is the primary lens through which we experience the world. This presentation explores connections between heritage language instruction, linguistic human rights and their implications in education.
