

Homework Packet #2

Please complete three of the five following activities with a parent. Return this packet to Miss Katotakis on Friday.

Activities:

1. Interview an adult (parent, grandparent, aunt, or uncle) in your family. Talk to them about the following things:

- ◆ Have them tell you about where they grew up
- ◆ Have them tell you about their favorite memory
- ◆ Have them tell you about the funniest thing that ever happened to them

You must talk to this adult about all three of the above items. Tell me who you talked to and what their responses were. Write this information on page (1) of this packet.

2. Pretend you are throwing a party at your home with your parents. With your parent, write an invitation to the party and tell me the schedule of events that would occur at the party. Write this information on page (2) of this packet.
3. Read to your parent for 20 minutes. Have your parent retell what you read. On page (3) of this packet, write down your parent's retelling of what you read.
4. Find an old family photograph you have never seen before and ask your parent about it. Answer who is in the photo, when was it taken, where was it taken, and if it was taken on a special occasion. Also give any other information about the photo. Please describe what the photo looks like. Use page (4) of this packet to write your answers.
5. Draw and color a comic strip of something funny that happened this week at home to a parent or sibling.

I have helped my child complete 3 of the 5 above activities.
